Conservatorship of Selva

SPR55156

Review

Tentative Ruling: APPEARANCES REQUIRED. The Court previously ordered reports from both the newly appointed counsel for the conservatee and the conservator. No reports have been filed at this time and the Court requests an update prior to making any final orders.

In the absence of information indicating a contrary outcome is appropriate, the Court is inclined make the following orders:

To convert this case to a limited conservatorship of the person, with the powers pursuant to Probate Code [PrC] § 2351.5(b)(1)-(7), as the conservatee is developmentally disabled as defined by PrC § 1420.

To remove the remaining conservator, Lisa Selva, and revoke her letters, for failure to perform her duties and comply with Court orders. (The Court notes the remaining two original co-conservators are deceased.)

To transfer this matter to San Mateo County pursuant to PrC § 2215-2217 forthwith, the Court finding good cause to waive the requirement of a petition to transfer venue.

To defer whether to appoint the San Mateo Public Guardian as successor limited conservator of the person, with the powers pursuant to PrC § 2351.5(b)(1)-(7), to the receiving Court as it is not clear to this Court whether sufficient notice to the San Mateo Public Guardian was provided despite the Court's earlier order directing notice. (The limited conservatee resides in San Mateo County, California, and has since 2015.)

The Court will prepare the Order Transferring Venue.

If the above indicated ruling is adopted after oral argument at the hearing, this matter will be set on the limited conservatorship calendar Thursday, October 22, 2026, at 3:30 p.m. in Department 63, for status of written notification of receipt from San Mateo County Superior Court, pursuant to PrC § 2217(a).
