Case Number: 25SMCV04669 Hearing Date: July 10, 2026 Dept: I

This is a motion to compel further by plaintiff. The discovery at issue was served on defendant James & Bentz. However, this defendant's motion to compel arbitration was granted earlier. That had the effect of staying this action as to that defendant. Because of the stay, this motion is DENIED AS MOOT. The denial is, of course, without prejudice to pursuing the discovery through the arbitration process.
