2. S-PR-0010508 Ciuffoli, Tak'ari King - In Re the Guardianship of

Appearance is required for continued hearing on 2d guardianship account and petition for other relief.

Clarification is needed: guardian seeks to remove all funds from blocked accounts and direct investments through a funds manager, with restrictions similar to those of a blocked account. Towerpoint Financial is not before the court and has not provided any assurance or agreement that it will restrict withdrawals without court authorization. Guardian does not propose any type of planned investments, and has not acknowledged the strict investment limitations of Prob.C. § 2574.

Court determination is needed as to requested attorney fees. Far from being a complex guardianship estate, this estate consists solely of two cash accounts paying de minimus interest. The estate effectively receives no income and engages in no transactions whatever. The request for nearly \$17,000 in attorney fees appears to be markedly disproportionate to the simple estate and absence of estate transactions. Notably, the requested fees are approximately 4000% of the estate's minimal income during the account period.

Clarification is needed: the prayer for relief includes requests for orders directed to the guardianship banks. The banks are not before the court and have had no opportunity to be heard concerning court orders that may issue against them. Guardian has access to all financial statements; it is unclear why guardian's attorney would need orders of any kind directed to a bank concerning account records.

3. S-PR-0010654 Nolasco, Benassy Javier; In Re the Guardianship of

Appearance is required for hearing on order to show cause re suspension of guardian and further monetary sanctions. Guardian's personal appearance is required.

Missing any response by guardian to order to show cause. Missing annual guardianship report (GC-251), over due for 2025 review hearing.

Note: the court has previously sanctioned guardian in the amount of \$750.00 for failure to file the annual report as ordered and failure to appear before the court as ordered.
