Petition for Probate of Lost Will and for Letters of Administration and Authorization to Administer Under the Independent Administration of Estates Act (filed by Anna Stewart)

Objection to Petition for Probate filed by Anna Stewart (filed by James Stewart)

PREGRANT ORDER

This matter was continued from March 30, 2026 and May 21, 2026 to allow the parties to address issues with their pleadings. The court has reviewed the documents filed by the objector which resolved the issues with her competing petition. Nothing has been filed by original petitioner.

The court on its own motion continues this hearing to September 17, 2026, at 9:30 a.m. in Department 22. Pending the continued hearing, the parties shall resolve the following issues as it relates to their respective pleadings:

As to the Petition filed by James Stewart:

Petition, item 8: The decedent's post-deceased spouse is a beneficiary of the estate and the decedent's trust is the residual beneficiary. However, the information for the personal representative of the Estate of Donald E. Stewart was not provided.

As to the Objection filed by Anna Stewart:

All issues resolved.

As to the Reply filed by James Stewart:

All issues resolved.

As to the Petition filed by Anna Stewart:

All issues resolved.

As to the Objection filed by James Stewart:

It appears that primary objection is that the professional fiduciary would earn fees from the estate and that family members are preferred over fiduciaries. This is insufficient in this case as it appears that the petitioner and the respondent are at odds. The appointment of a professional fiduciary may reduce the need for litigation due to the conflicts between the parties in this case.
