Conservatorship Review - Biennial Petition Hearing

Tentative Ruling:

APPEARANCE ORDERED (Zoom allowed)

This Conservatorship review and accounting was continued from April 30, 2026. Petitioner has filed a DECLARATION IN LIEU OF ACCOUNTING , but the "signature" does not satisfy CRC 2.257. The Court would accept a sworn statement on the record from petitioner that she actually read the declaration and that she typed her name on the document intending it to be her signature. Or, she can submit another declaration which in fact has her unique signature. If either of these actions occurs, the Court will waive the final accounting of the conservatorship of the estate, and discharge the conservator upon her filing an Ex Parte Petition for Final Discharge and Order (GC-395).
