Conservatorship of Espinosa

SPR55036

Case Management Conference

Tentative Ruling: NO APPEARANCES REQUIRED. On April 29, 2026, the Court ordered that certain documents must be filed prior to this hearing, including a petition for change of venue. The Court also ordered that if no petition to transfer venue is filed, the Court will revoke letters, terminate the conservatorship and dismiss the case without prejudice, noting that the Petitioner could then refile it in the appropriate county if it is still needed. Since that hearing, no further documents have been filed and no petition for change of venue is pending. Therefore letters are revoked, the conservatorship is terminated and the case is DISMISSED without prejudice.
