TENTATIVE RULING

J. Raza Lawrence of Zuber Lawler LLP's Motion to Be Relieved as Counsel for Defendants Rene's Cultivar LLC and Nicholas Jammal is CONTINUED to TBD for counsel to provide sufficient proof of service of all documents associated with this motion to the new address provided in the notice of errata.

Counsel has asserted a valid reason for withdrawal, i.e., the clients have breached material obligations under the parties' retention agreement, and the attorney-client relationship has broken down. (Rules Prof. Conduct, rule 1.16(b)(4), (b)(5).) Counsel has provided the required forms under rule 3.1362 of the California Rules of Court, but he failed to provide proof of service of the moving papers at the new address identified as required by rule 3.1362, subdivisions (d) and (e), of the California Rules of Court. While the notice of errata states that true copies were mailed to the corrected address provided by Defendants, Mr. Lawrence has not filed a proof of service showing Defendants were served at the new address. Thus, J. Raza Lawrence of Zuber Lawler LLP's Motion to Be Relieved as Counsel for Defendants Rene's Cultivar LLC and Nicholas Jammal is CONTINUED to TBD for counsel to provide sufficient proof of service of all documents associated with this motion.
