The Court posts this tentative to advise the parties of the status of the trial date. This Court has been in communication with the SJ and ASJ of Civil to seek assignment of this case to a long-cause courtroom There has been no decision by the SJ yet as to a transfer of the case to a long-cause courtroom.

Given that, and given the uncertainty of when the SJ will advise this Court of the decision regarding transfer, the parties should be advised that the case is not likely to proceed to trial on 9/22/26.

Further, the Court has circulated waiver forms to counsel regarding pre-screening jurors for this trial, for which the current estimate, after the last FSC hearing, stands at approximately 45 days. The jury assembly coordinator for this district advises that, if the trial is to proceed in this courtroom, the jury assembly coordinator will need time to pre-screen jurors. This Court does not intend to begin the process of pre-screening jurors until this Court receives a decision from the SJ on whether this matter will be transferred to a long-cause courtroom.

The Court will discuss the status of the case further with counsel at the hearing on 9/18/26.
