Case Number: 26STCV02707 Hearing Date: September 18, 2026 Dept: 734

The following constitutes the Court's ruling on the ex parte application of Plaintiff David Mejia seeking an order authorizing service on Defendant Michael Chang by publication. The Court finds the matter suitable for decision in chambers without argument, and the matter will not be called for hearing on September 18, 2026. The application is DENIED WITHOUT PREJUDICE for the following reasons:

First, the application does not establish that all other efforts at service have been diligently pursued and exhausted. Although Plaintiff describes multiple unsuccessful service attempts at a single address, the application does not establish how that address was located and whether any effort was taken to find another address associated with the defendant.

Second, the application does not set forth any facts tending to show that publication in the proposed periodical of the Los Angeles Daily Journal (a legal periodical with a targeted audience) is reasonably likely to provide notice to the defendant.

Plaintiff may resubmit the application, addressing the foregoing issues.
