Michael Corrales, et al. vs Avalon Care Center - Merced Franciscan, LLC,

Motion to Compel Verified Responses to Special Interrogatories (Set One), Form Interrogatories (Set One), And Requests for Production of Documents (Set One) And Impose \$3,094.00 In Sanctions Against Plaintiffs

Defendant's motion to compel verified responses to Form Interrogatories, Set One, Special Interrogatories, Set One, and Requests for Production of Documents, Set One, is GRANTED IN PART and DENIED IN PART.

Plaintiff's counsel has filed a declaration stating prior verifications and verified third amended responses to the discovery at issue have been served, and has included evidence supporting the declaration. If the newly served discovery is deficient then Defendant is able to bring a motion to compel further responses as to those deficient responses.

Accordingly, the motion to compel verified responses is DENIED AS MOOT.

This leaves the issue of monetary sanctions. Although verified amended responses were provided to Defendant, they were not provided until after Defendant filed their motion. As such, Defendant was substantially justified in bringing this instant motion and is entitled to monetary sanctions.

Accordingly, the request for monetary sanctions is GRANTED.

Monetary sanctions in the amount of \$2,000 are to be paid to Defendant within thirty (30) days of this Court's order.
