Fund v. Top Flight Investments, et al. (21STCV13141)

TENTATIVE RULING:

Pursuant to the Order Appointing Equity Receiver and

Preliminary Injunction entered on 3/17/22, Receiver is authorized to prepare

“periodic interim statements reflecting the Receiver’s fees and administration

of the Receivership Estate.” (3/17/22 Receiver Order ¶ 11.) Receiver is

obligated to submit its fees and expenses to the Court for approval and

confirmation by way of a noticed interim request for fees, a stipulation among

the parties, or the Receiver's final account and report. (Ibid.)

"Interim fees are subject to final review and approval by

the court. The court retains jurisdiction to award a greater or lesser amount

as the full, fair, and final value of the services rendered." (Cal. Rule of

Court 3.1183(a).) "Unless good cause is shown, objections to a receiver's

interim report and accounting must be made within 10 days of notice of the

report and accounting, must be specific, and must be delivered to the receiver

and all parties entitled to service of the interim report and accounting." (Id.

Rule 3.1183(b).)
