MINOR: Brooklyn Ramirez

DEFENDANTS: All Site Logistics, LLC and Andres Rosales

SUMMARY OF ACTION: This action arises out of a motor vehicle collision that occurred on 10/20/23. Minor was a passenger in a vehicle with her mother/GAL/co-plaintiff. AMOUNT TO BE PAID TO MINOR: \$8,589.49 to be placed
in a blocked account

RULING:

Defendants

have not appeared in this action and there is no evidence that they have even
been served with the summons and complaint.

It is not clear if this action was filed solely to have this petition
approved. If that is the case, a
petition should have been filed in the probate court. See LASC, Local Rule 4.115(a)(1)
citing Probate Code 2505(b) and 3500.

Also, there is no proof of service for the petition. Even if a proof of service was filed, unless
Defendants were personally served, there is no way for the Court to confirm any
address where Defendants may have been served.

Further, since Defendants have not appeared in this action, the Court
does not have jurisdiction over them to enforce the settlement, if they do not
pay it.

There

also appears to be a minor procedural defect in the petition. No.17.c. indicates that the attorney has not
received any other attorney fees and No.17.f. indicates that the attorney does
not expect to receive any other attorney's fees. However, in all likelihood, the attorney will
receive a percentage of the co-plaintiff's settlement of \$37,500.00 as
compensation. (See Petition,
No.11.b.(5); Attachment 17e).
