

FL-25-000908 FUENTES VS FUENTES

County: stanislaus

Division: Family Law

Department: 11

Hearing date: 2026-07-14

Motion: Petitioner's Request for Order re Attorney's Fees and Costs, etc.—HEARING REQUIRED. The Court notes the Responsive Declaration filed by Respondent, but Respondent's opposition is untimely under the Rules of Court since this matter was originally set for hearing on June 16, 2026, and was continued to afford Respondent the opportunity to comply with the financial disclosures and documents the absence of which caused Petitioner to file this motion for conduct-based sanctions, among other things. Accordingly, the Court is more interested in addressing Respondent's compliance with the prior Findings and Order After Hearing of June 16, 2026, and only after this will the Court entertain Respondent's allegations of reduced or limited income. The Court's findings will then govern whether conduct-based sanctions shall be awarded and, if so, an amount that will not impose an unreasonable burden on Respondent, particularly if that amount is not ordered to be paid as a lump sum. (Fam. Code, § 271(a).) The following are the tentative ruling cases calendared before Judge J. Richard Distaso in Department #13:
