The Court will expect counsel of record to answer the following questions regarding the stipulation to continue:

Why did the issue of a continuance not arise until approximate three weeks ago?

Counsel for plaintiff cites a wedding and a honeymoon in October through December 2026. When did counsel become aware of the scheduling of the wedding and honeymoon?

Is "actively considering mediation" good cause to continue a trial date under CRC 3.1332?

The Court referred this case to the MVP program on 9/11/25. Have the parties pursued an MVP mediation?

Is there no other counsel available at plaintiff's firm, Downtown Law Firm, available to try this case?

What discovery has been done? What discovery remains? Why has discovery not been completed? If discovery was put off, why was it put off? Is putting off

discovery because the parties are considering mediation good cause to
continue under CRC 3.1332?
