Case Number: 24STCV31768 Hearing Date: August 21, 2026 Dept: 514

The Court has reviewed

the default judgment papers submitted by Plaintiff. Plaintiff seeks \$3,000,000 in damages, \$529,215.63 in attorney's fees, and \$1,150 in costs for a total of \$3,530,365.63.

The Court finds

there are several issues that must be addressed before default judgment may be entered.

First, the Doe

Defendants have not been dismissed. All

defendants must be dismissed or defaulted before the Court will enter default judgment.

Second, the

evidence as to the damages and liability of ShadowAndMittens, LLC is insufficient.

The declaration of Steven Nia provides

that Plaintiff entered into a contract with Defendants PLPII FLP and Papas. (Nia Decl., ¶¶ 11-12, 25.)

Third, Plaintiff

does not provide sufficient evidence to support his request for \$529,215.63 in attorney's fees.

Accordingly, the request for entry of judgment is denied without prejudice.

Plaintiff may file a new request for entry of default judgment. The OSC is continued for approximately 90 days.
