25VECV03178 Cohen & Marzban v Udewitz

Ex parte application to continue the hearing such that the opposition papers to the demurrer are due no later than Nov. 23, 2026. The court previously denied the request to extend all deadlines by 90 days but allowed defendant to seek additional time as needed.

The demurrer and motion to strike in this matter are set for hearing on 8/25/2026. The deadline to file the opposition is already past. Defendant should have promptly asked for additional time before the opposition due date as the motion was filed a month ago. The court will continue the hearing on the demurrer for a limited time to allow a timely opposition. The demurrer is continued to 9/23/2026. Opposition is due no later than 9 court days before the hearing.
