Probate of Will

Tentative Ruling: NO APPEARANCES REQUIRED. The Court notes a "Notice of Stipulated Continuance" was filed June 11, 2026, attempting to continue this matter. However, the June 18, 2026 hearing is the initial hearing date for purposes of Probate Code section 1043 and the only hearing date listed in the Notice of Hearing. The Court therefore does not entertain the "Stipulated Continuance" as effective. However, the Court does entertain the document as a request to continue the hearing. This matter is therefore CONTINUED to July 24, 2026, at 9:30 a.m. in Department 12. Petitioner must file and serve an Amended Notice of Hearing, and any publication must include the new hearing date of July 24, 2026. The Court will treat the July 24, 2026 hearing date as the initial hearing on the petition for purposes of Probate Code section 1043. Petitioner is also directed to review the Probate Examiner Notes.
