Case Number: 25STCV34499 Hearing Date: September 11, 2026 Dept: 9

The Court hereby

distributes a REVISED tentative ruling for the Case Management

Order for all four cases (24STCV23341, 24STCV23802, 25STCV34308, and 25STCV34499). The parties are welcome to

provide input and propose modification(s) to any aspect of the CMO at the Initial Status Conference. If all

parties submit on the tentative CMO prior to the commencement of the September 11, 2026 ISC, the Court will adopt the tentative CMO, and the parties need not appear. However, if there is any matter

that any party would like to discuss, including any proposed change to this tentative CMO, that party should not submit on this tentative but instead appear at the ISC to raise the issue. To

avoid a failure to appear, please make sure to check in with Department 9 court staff and wait for the case to be called unless you receive notification that all parties have submitted on the tentative CMO.

[TENTATIVE] CASE MANAGEMENT
ORDER

This action has been designated as complex pursuant to CRC 3.400(a), and thus requires exceptional judicial management. All provisions of this CMO are deemed necessary to carry out the purposes of Rule 3.400(a), and to promote effective decision-making by the Court. They are based upon individual consideration of this complex action, including the Status Conference Reports previously filed by the parties.

1.

Mediation: Mediation

is scheduled for October 13, 2026 in Serrano and Robinson. The Parties in Nolasco and Padilla are continuing to discuss mediation in each of those cases, but mediations have not yet been scheduled. At this juncture, the Parties anticipate separate mediations and are not amenable to a single global mediation of all Related Cases. The parties are ordered to file a further Joint Status Report Re: Mediation Efforts by no later than December 10, 2026, including the outcome of the 10/13/26 mediation in Serrano and Robinson and whether the Parties in Nolasco and Padilla have agreed to mediate, the identity of any mediator they may have selected, and the date of any mediation they may have scheduled. A Non-Appearance Case Review Re Mediation Efforts is set for December 17, 2026 at 8:30 AM, Department 9.

2.

Applicable Arbitration Agreement(s): Defendants state that at least some or perhaps all of the named Plaintiffs are subject to an arbitration agreement contained within a Collective Bargaining Agreement. If any Defendant wishes to arbitrate against any of these Plaintiffs, that Defendant must file and serve a noticed Motion to Compel Arbitration by no later than December 10, 2026.

3.

Defendant's Responsive Pleading: The stay shall

be lifted on November 10, 2026.

In each of these cases, Defendants are ordered file and serve either a Motion to Compel Arbitration or a Responsive Pleading by no later than December 10, 2026. Before filing any motion, the moving party must contact the Court Staff in Department 9 when ready to file the moving papers to obtain a hearing date and a briefing schedule. In each of these four cases, the Court sets a Non-Appearance Case Review Re: Filing and Serving of Defendant's Motion to Compel Arbitration or Responsive Pleading for December 17, 2026, 8:30 AM, Department 9.

4.

Phased Discovery. Discovery

shall remain stayed until November 10, 2026. After November 10, 2026, discovery shall be phased. Upon the filing of any motion to compel arbitration, the stay shall be lifted, and the parties will be permitted to conduct discovery on the arbitration issue only. Once an answer is filed and served or, if applicable, after the Court rules on the motion to compel arbitration or pleading challenge, the Court will lift the stay more broadly to include all discovery (class certification and merits discovery).

5.

Class list discovery.

The decision in *In Re Insurance Installment Fee cases* (2012) 211 Cal.App.4th 1395, 1426-1429, held that the notice procedure prescribed by the trial court and followed by the defendant was necessary to protect privacy rights under the California Constitution.

Therefore, upon the Court's lifting of the stay on class certification discovery, the parties shall use the procedure described in *Belaire-West Landscape v Superior Court* (2008) 149 Cal.App.4th 554 to notify putative class members, as described in the applicable paragraph of the currently operative complaint, giving them the opportunity to opt out. The parties must share the cost of the procedure equally.

a. Plaintiff

is to take the lead and prepare a proposed letter to be sent out by the agreed-upon third party administrator.

The parties must discuss and settle upon a final version.

b. The

letter must be written using the administrator's letterhead, not that of any

party.

c. The

defense must turn over the contact information consisting of name, address, phone number, and email address (if available) to the third-party administrator.

d. In the

event the putative class list is greater than 400 people, the administrator must randomly select a sample of no more than 400. The contact information for those persons who did not opt out must be turned over to the plaintiff.

6.

Payroll Records Discovery. Responses to any payroll record discovery requests must be uniquely numbered and redacted so that putative class member's identifying information, i.e., name, social security numbers, etc. are not revealed.

7.

Protective Order.

Parties are alerted that model protective orders may be found at Los

Angeles Superior Court website at <http://www.lacourt.org/division/civil/CI0043.aspx>. The parties are encouraged to use these model

orders as shown, or if modified, as a template for the modified order. A redlined courtesy copy must be posted on the e-service bulletin board and lodged with the court at the time of filing.

The parties must use the redlined version to identify any changes proposed to the model order.

8.

E-service & E-filing. Electronic service is not the same as electronic filing. The parties have

agreed, and the Court has signed an order authorizing Case Anywhere as the e-service to be used in this case.

Argument must not be posted on the bulletin board. For information on electronic filing in the Complex Courts, please refer to <https://www.lacourt.org/division/efiling/efiling2.aspx> and <http://www.lacourt.org/division/efiling/pdf/ComplexefilingFAQs.pdf>.

a. The

parties should be aware that if they submit a proposed order, then if and when the Court approves the order, the final signed order will be electronically

returned to the Electronic Filing Service Provider (EFSP). After lodging a proposed order, the parties must frequently monitor and check with their EFSP because the final, signed order will not be automatically uploaded to CaseAnywhere or any other electronic bulletin board.

9.

Hearing Dates and Briefing Schedule for Motions: Department 9 does not use the Los Angeles Superior Court online Court Reservation System (CRS) to set motion hearing dates. To request a hearing date and briefing schedule for any and all motions (other than motions in limine), the moving party must call the Court Staff in Department 9 when ready to file the moving papers. The first page of the Notice of Motion must clearly set forth the hearing date and briefing schedule obtained from the Court. Failure to file and serve moving papers within 1 court day of obtaining the briefing schedule and hearing date may result in the Court vacating the hearing date. At the trial setting conference, the Court will specially set a briefing schedule for all motions in limine, which are generally heard at the Final Status Conference.

10.

Class Certification Motion. The Court hereby sets the deadline for Plaintiff to file and serve any Motion for Class Certification as January 19, 2028. Plaintiff is reminded that Plaintiff's brief must contain a trial plan. The trial plan MUST be filed as a separate brief. The Court sets a Non-Appearance Case Review for January 26, 2028, 8:30 AM, Department 9.

11.

Discovery conferences. Participation in an informal discovery conference is not a prerequisite to filing a motion to compel further or other discovery motion in Department 9. However, the Court strongly encourages informal discovery conferences as a more efficient and cost effective alternative to resolve discovery disputes without unnecessary motion practice. The Court will likely consider the parties' voluntary participation in an informal discovery conference or other similar efforts when subsequently assessing a party's request for discovery sanctions. Any party may post a message on the electronic bulletin board to request an informal discovery conference. The Court will either reply to the message or issue a minute order setting the

conference. A party's request for or voluntary participation in an informal discovery conference does not extend the deadline to file and serve a timely motion to compel further responses. If the parties wish, they may negotiate and stipulate to a mutually agreeable extension in writing. Because informal discovery conferences are informal, no court reporter or audio recording is permitted.

12.

Related Cases. The

Court has granted Notices of Related Cases relating the following actions: 24STCV23341, 24STCV23802, 25STCV34308, and 25STCV34499.

All parties in all related cases are ordered to meet and confer regarding coordination of discovery to avoid duplication of discovery efforts, including written discovery and depositions. By no later than December 10, 2026, the parties are to file a stipulation or joint statement setting forth any agreements reached regarding coordination of discovery across all related cases.

The Court hereby sets a Non-Appearance Case Review re coordination of discovery for December 17, 2026 at 8:30 am in Department 9.

13.

Potential Related Cases. As soon as Counsel become aware of any additional potentially related case(s), including any class action involving overlapping claims or any PAGA case involving the same representative plaintiff, Counsel are ordered to file and serve a Notice of Related Case in the instant case and in the potentially related case(s) pursuant California Rule of court Rule 3.300. This is a continuing obligation on both Plaintiffs and Defendants while these cases are pending.

14.

Settlement.

File a Notice of Settlement on Judicial Council form CM-200, a mandatory form.

a. Consider using the form wage and hour

settlement agreements now available on the court's website at <https://www.lacourt.org/forms/all> – "Civil Forms" section.

With input and unanimous consensus from an Ad Hoc Wage and Hour

Committee, the court posted: (1) a form class action settlement

agreement, (2) a form class action/PAGA settlement

agreement, (3) and a form PAGA settlement agreement. Using these

forms should cut down on attorney negotiation time and reduce the lag time

between a successful mediation and execution of a long form agreement. Filing a motion that is based on a form agreement and includes a redlined copy identifying modifications will also expedite the court's review process and help reduce the current backlog on hearings.

b. If settlement includes dismissal of class action claims (such as a PAGA only settlement or an individual settlement), then Plaintiff must comply with CRC 3.769 and 3.770 in order to obtain dismissal of class claims. Do NOT use Judicial Council Form Civ-110, Request for Dismissal.

Plaintiff

is ordered to download (1) the instant signed order from the Court's website, (2) the minute order for today, and (3) the signed order authorizing electronic service provider, to give formal notice of each of these to all other parties, and to file proof of service of such within five (5) days.

IT IS SO ORDERED.
