Case Number: 23STCV18212 Hearing Date: September 11, 2026 Dept: 517

The Court is denying Plaintiffs' motion to compel Defendant Los Angeles County Metropolitan Transportation Authority to comply with the June 18 , 2025 discovery order and for evidentiary, issue, and monetary sanctions.

The Court is granting Plaintiffs' separate motion to compel the depositions of three MTA employees only to the extent that the motion seeks an order limiting the grounds on which MTA's counsel may instruct the deponents not to answer questions posed to them at the depositions. The motion is denied in all other respects.

The Court will explain the bases for these rulings at the hearing this morning. This case will be called last on the calendar. The calendar is, however, quite light and therefore counsel will not have to wait very long to have the case called.
