GUARDIANSHIP OF EUGENE WALKER III

CASE NUMBER: 26PG-0033327

Disclosure Re: guardianship cases involving Shasta County Health and Human Services Agency-Judge Wood discloses that her step-daughter, Erinn Watts, is the Administrative Branch Director of the Health and Human Services Agency. In that position, Judge Wood's step-daughter does not have any involvement in the investigation, management, prosecution or defense of guardianship cases. However, the Court makes this disclosure of an employment relationship between an investigating agency and the Court's first degree relative as required by California Code of Judicial Ethics.

This matter is on calendar for further proceedings regarding status of petition and objection filed by mother. Letters of Temporary Guardianship issued to Joclynn Root on April 9, 2026, and are set to expire today unless further extended.

The Court previously determined the matter has been properly noticed. The paperwork appears to be in order. ICWA notification has been properly given and at the last hearing a representative from Elm Indian Colony appeared and stated the Tribe has no objection to the guardianship. The matter was previously continued to allow mother additional time to file a formal objection and advised that if no objection was filed, the Court would move forward with granting the Petition. A formal objection has not been filed by the mother.

The Court has reviewed and considered the Court Investigator's report filed on April 24, 2026, and agrees with the recommendation to grant the Petition. The Court **FINDS** it would be detrimental for the child to be with either parent or any parent objecting to the guardianship, the guardianship is in the child's best interest, and the guardianship is necessary and convenient. The proposed guardian is suitable.
