IN RE: VIRGINIA D. RAMIREZ TRUST DATED FEBRUARY 2, 2021
CASE NUMBER: 26PB-0033427

This matter is on calendar for further proceedings on a Petition for Orders Confirming Trustee or Appointing Successor Trustee, Determination of Validity of Power of Attorney, Compelling Transfer/Return of Property, Accounting, Elder Abuse, Damages, and Attorney's Fees. The Court previously determined the matter has been properly noticed with proof of service on file. Respondent Cynthia Haussmann filed an opposition.

This matter is also on calendar for hearing on a Cross-Petition for Confirmation of the February 2, 2021, Trust of Cynthia M. Haussmann as Successor Trustee and For Related Relief and for hearing Notice of Motion and Motion to Continue Further Proceedings. Respondent requests a continuance of the proceedings to conduct discovery. The Cross-Petition has been properly noticed, however there is no proof of service of the Notice of Motion on any parties entitled to notice. Virginia Ramirez and Debra Ooms have filed an objection and opposition to the Cross-Petition.

Additionally, this matter is on calendar for hearing on an Ex Parte Application for Order Authorizing Payment of Attorney's Fees/Retainer to Continue Representation and Emergency Living and Medical Expenses for Conservatee Virginia D. Ramirez filed by Virginia Ramirez and Debra Ooms. The Court notes the application makes several references to Ms. Ramirez as the "conservatee." No information has been provided to show that a conservatorship has been established. The application requests the Court make numerous orders regarding and dependent upon Ms. Ramirez's mental capacity. Ms. Ramirez's mental capacity is an essential contested issue in this case, therefore the Court will grant the application only in so far as it requests funds sufficient to retain counsel for Ms. Ramirez and provide for Ms. Ramirez's living expenses. All other requests are inappropriate for consideration at this time. Both Ms. Ramirez and Ms. Ooms are represented by the same counsel and the application fails to address whether the funds requested are for Ms. Ramirez's share of the retainer only. The application concedes that Ms. Haussman has already provided Ms. Ramirez with \$5,000 for attorney's fees pursuant to the Court's order, however no orders have been made in this case. **An appearance is necessary on today's calendar to discuss an appropriate amount for attorney's fees and living expenses, discovery, and setting of a contested hearing.**
