

GUARDIANSHIP OF ALLYSON MONTGOMERY

CASE NUMBER: 26PG-0033515

Disclosure Re: guardianship cases involving Shasta County Health and Human Services Agency-Judge Wood discloses that her step-daughter, Erinn Watts, is the Administrative Branch Director of the Health and Human Services Agency. In that position, Judge Wood's step-daughter does not have any involvement in the investigation, management, prosecution or defense of guardianship cases. However, the Court makes this disclosure of an employment relationship between an investigating agency and the Court's first degree relative as required by California Code of Judicial Ethics.

This matter is on calendar for hearing on a Petition for Appointment of Guardian of the Person. The Petition was filed by the minor's grandmother and step-grandfather, Angela and David Nelson. Letters of Temporary Guardianship issued on August 6, 2026, and are set to expire today unless further extended.

The minor and maternal grandmother/Petitioner have consented to the guardianship and waived notice. The Court dispenses with notice to the father and unknown paternal grandparents. There is no proof of service of the Notice of Hearing and Petition for the mother, maternal grandfather, and siblings. Insufficient information has been provided to permit the Court to dispense with notice to these parties. ICWA notification has been properly given, and no tribe has requested to intervene in this matter

The Court has reviewed the memorandum from the Court Investigator received on August 25, 2026, which indicates that the minor has returned to her mother's care and Petitioner intends to withdraw the Petition. In light of the memorandum, the Petition is **DENIED** without prejudice.

Based on the allegations in the Petitions, the Court refers this matter to Children's Services. The matter is continued to **Monday, October 19, 2026, at 8:30 a.m. in Department 42** for status of referral to Children's Services. **No appearance is necessary on today's calendar.**
