Case No.: VCU314147

Dept. 9-The Honorable Nathan D. Ide

Motion: Plaintiff's Motions to Compel Further Responses to (1) Form Interrogatories (2) Special Interrogatories (3) Requests for Production and (4) Requests for Admission as to Bill Stafford

Tentative Ruling: (1) through (4): The Court previously granted Stafford's motion for judgment on the pleadings without leave to amend as to the single cause of action under Labor Code section 1102.5, found Stafford's motion for protective order regarding this same discovery moot, and therefore finds these motions to compel further discovery responses moot, as there is presently no cause of action against Stafford via this ruling.

If no one requests oral argument, under Code of Civil Procedure section 1019.5(a) and California Rules of Court, rule 3.1312(a), no further written order is necessary. The minute order adopting this tentative ruling will become the order of the court and service by the clerk will constitute notice of the order. Court reporters are usually not available for law and motion matters in the civil division. The parties and counsel must provide their own reporter if they want a transcript of the proceedings.
