STORM CHAUVIN vs KILROY REALTY,
L.P., et al.

The Court finds the following
deficiencies in the Petition:

- 1) Paragraph 3b of MC-350 lists a trial date of 10/15/2025. The action has settled and there is no trial date scheduled.
- 2) Paragraph 8a of MC-350 provides that “[t]he claimant has recovered completely from the effects of the injuries described in item 6, and there are no permanent injuries.” Petitioner should clarify that Plaintiff is deceased.
- 3) Petitioner has indicated that no defendant has offered to pay money to anyone other than the claimant in this action, thus, Paragraph 11b should remain blank.
- 4) Petitioner has listed the total amount of statutory or contractual liens as \$25,258.95 in Paragraph 12a(5). This amount does not correspond to the information presented in the rest of Paragraph 12, including Attachment 12b(5). The total lien amount appears to be \$13,931.95. Address this inconsistency.
- 5) Petitioner has not submitted any

medical records in support of the Petition.
