The Court will have the following questions for defense counsel:

Why

is this motion brought as an ex parte? When did defense counsel learn about this diagnosis and the basis for this ex parte?

Where

is Exhibit A, the doctor's note, referred to in the lawyer declaration?

The

Court continued this matter in May of this year. Was this information not available at that time?

What

have the parties completed or done since the continuance in May. The Court would like to know, specific depositions, specific discovery, dates of mediation, etc.

Can

the defendant's trial testimony be taken by video?
