County: stanislaus

Division: Civil Law and Motion

Department: 24

Hearing date: 2012-04-02

Motion: Good cause appearing to the satisfaction of the Court, the Court finds the payment to the Class Representative, to the Class Members and the Class Administrator to be appropriate given all relevant factors of the settlement. The Court also finds Class Counsel's attorney's fees and costs to be reasonable and comparable to the award of fees generally issued by California Courts. The Court is therefore inclined to grant final approval of the Class Action Settlement herein. In accordance with the provisions of Code Civ. Proc. §384, the Court sets a compliance hearing for March 18, 2027, at 8:30 am in Department 24 to confirm full administration of the settlement. Class counsel shall submit a compliance report no later than March 10, 2027, which shall include the total amount that was actually paid to the class members pursuant to the subject settlement. At the time of the compliance hearing, the Court shall amend the judgment to direct that the sum of the unpaid funds, plus interest as required by the statute, be distributed as set forth in the Settlement Agreement. In addition, the Court orders that Notice of the Court's Order Granting Final Approval and Judgment shall be posted on the Settlement Administrator's website for a period of at least 90 days. [Civ. Code §1781(g); Cal. Rules of Ct., rule 3.771(b)]. The Court will sign the Proposed Order. The following are the tentative rulings for cases calendared before Commissioner Jared D.
