

**SUPERIOR COURT OF CALIFORNIA
COUNTY OF VENTURA**

Probate Notes

**202200567321PRCE: In the Matter of Margaret Ann Sellner
07/07/2026 in Department J6
Account and Report Third Account and Report**

While the amount involved is *de minimus*, the Court notes that the accounting appears to be missing statements for the Ventura County Credit Union Primary Share Acct. x7200 ID 01.

The Court directs the conservator to fully comply with California Rules of Court, rules 7.751(b) and 7.702. Conservator is also directed to provide a verified time log for his services. Otherwise, the Court intends to deny his bare request for \$20,000 in conservator fees.

Petitioner's counsel is directed to serve and file itemized billing statements for services rendered and fees sought.

Petitioner has reimbursed himself \$2,006.51 in costs. He is ordered to provide a verified itemization of the costs.

Petitioner is ordered to submit care facility bill statements. (Prob. Code, § 2620, subd. (c)(4).)

Petitioner seeks an order directing him to deliver the balance of the estate to the personal representative of the conservatee's estate. Has an estate been opened?

Continue for the foregoing issues to be addressed. The Court will address attorney fees once the additional information is provided, but does not that \$780.00/hr for an attorney and \$240-\$330 an hour for a paralegal is high.
