GOMEZ GUTIERREZ vs AMERICAN HONDA MOTOR CO., INC., Case No. 22NWCV01306

The

Complaint in this lemon law action was filed on November 14, 2022. Trial is currently scheduled for October 15, 2026. Defendant AMERICAN HONDA MOTOR

CO., INC. (AHM) applies ex parte to advance the hearing for its Motion to Compel

Vehicle Inspection, currently scheduled for October 2, 2026, or in the

alternative, to continue trial to January 2027.

A vehicle inspection was scheduled on June 16, 2025, but could not be

completed because the vehicle was not properly registered and would not be

allowed on the road for a test drive. (Haumschild Decl., ¶2.) On June 24, 2026,

the Court approved a stipulation by the parties to continue trial from July 13,

2026 to the currently scheduled trial date so the parties could complete the

vehicle inspection. Despite repeated

efforts by AHM to reschedule the vehicle inspection, no inspection has been

scheduled. (Id., ¶4.) The ex parte application is GRANTED. The hearing on AHM's Motion to Compel Vehicle

Inspection is ADVANCED from October 2, 2026 to today and GRANTED. Plaintiff is ordered to submit the Subject

Vehicle for inspection within 15 days.

The Subject Vehicle shall be registered and in drivable condition. No sanctions.

Moving party to give notice.
