**Probate Calendar for Friday, September 11, 2026
9:00 a.m. in Department Paso 2, with Judge Michael C. Kelley presiding**

No.	Case Number	Case Name	Type of Matter	Probate Notes
<u>The following matters are OFF CALENDAR/ DISMISSED/ TERMINATED or CONTINUED:</u>				
1	14PR-0357	In Re: Timothy Goeckner Special Needs Trust	Petition Filed 3/13/2026 - Sixth Account and Report of Trustee	<i>CONTINUED LIST: The matter is continued to November 13, 2026 at 9:00 a.m. in P2. All additional information is needed by October 2, 2026. The following is noted:</i> <i><u>Sale of the Trust's Owned Home.</u> Clarification is needed on the sale of the Trust-owned home. Neither the prior Court orders nor the Trust appear to provide powers to the Trustee to <u>sell the home</u> without Court approval. The Court, had not required a bond for the value of the home, due to that limitation. It is unclear how the real property was sold in July of 2025, just outside this account period, without any Court involvement. Explanation is required with citation to specific Court orders approving the sale. If no order exists, Petitioner will need to provide for a plan to obtain approval, so the Court can determine if any objections exist to the sale and price. This account will not be able to be approved until potential liability is assessed.</i>

				2. <u>Original facility statements</u> are now due, as the conservatee/ trust beneficiary now lives in assisted living. See Probate Code section 2620, applicable through California Rules of Court, rule 7.903. 3. <u>Accounting issues.</u> The following items need additional clarification as noted. a. What expenses are expected to cease now that the conservatee has moved into a facility, in what appears to be Boise, Idaho? i. All the real property expenses, it is understood, will cease fairly quickly in the 7th Account, which allegedly will report the sale of the real property. ii. Is the Caregiver expense/Team Member ceasing? If not, why is this needed when the conservatee is living in a facility with various retirement and care levels based on the Petition. iii. Vehicle Expenses: As the Trust beneficiary now resides in a facility, the need for the vehicle is unclear, especially based on the costs associated. It is unclear if the vehicle is even in this state any longer. An explanation is needed on the plans for the vehicle and
--	--	--	--	---

				<i>related expenses. Are there alternatives offered through the care facility for travel to medical and other trips?</i> <i>iv. True Link Card. Is the True Link card, at the current rate, needed? It seems that most living expenses are either tied into the facility payment or paid for by the Trust. It also appears many of the things being paid for by the True Link card are not of the nature of what was presented to the Court. For example, there are gas charges, home maintenance, and auto expenses being covered. A reduction in the monthly allowance is recommended, at a minimum.</i> <i>b. Moving expenses reimbursed to Peggy Keller of \$801.54. Additional explanation is needed with receipts.</i> <i>c. Home maintenance expenses to Peggy Kellery \$830.05. Additional explanation is needed with receipts.</i> <i>d. Assets on Hand- During this Account period, funds were distributed in ways that should be tracked going forward in some manner.</i> <i>i. Normally, a burial plan is included as an asset on hand</i>
--	--	--	--	---

				<i>at the end of the account and tracked in future accounts. An Amendment is needed.</i> <i>ii. The Medicare Set Aside Account and its current ongoing value will need to be tracked as part of the account in some way. The Trust has pre-paid \$22,743 in assets, based on the description provided, to pay off certain medical expenses that would normally be paid for by the Trust. The Court needs information on this by way of some ongoing schedule inclusion.</i> <i>e. Other: Explanation is needed on the additional \$3,485.15 paid to the True Link card, beyond the \$400.00 paid, for the month of September 2023.</i> <i>4. <u>Bond</u>. Total bond is currently \$440,000. The Petition notes the real property of the Trust was sold, so it appears excluding the value of the property is no longer appropriate. A new calculation is needed.</i> <i>5. <u>Fees</u>. As noted above, it is unclear at this time how the real property of the Trust was sold without seeking Court approval. It currently appears Trustee did not have the power to sell the real property under the trust terms. As such, the items below are subject to change once that issue is resolved,</i>
--	--	--	--	---

				<i>to plan for any damages that may have occurred.</i> <i>a. Trustee/ Fiduciary fees. The hourly logs are appreciated. It is noted that this Court would normally not allow some of the hourly rates noted in the materials for the services provided. It is also noted that there were numerous other professionals paid to work on the accounting and assist in the management of this Trust, in terms of accountants, the TEAM member, and investment advisors described. Due to this, a total fee of \$12,415.34 is recommended. This results in a \$2,000 reduction.</i> <i>b. Attorney fees. Attorney fees are recommended as requested. The reductions to fit within the community standard are noted and appreciated.</i> <i>6. 7th Account and Report is due by October 1, 2027, for the period of July 1, 2025 to June 30, 2027.</i>
3	18PR-0265	Conservatorship of: Priscilla Larson	Petition Filed 3/03/2026 - Fourth Account	<i>CONTINUED LIST: The matter is continued to November 13, 2026 at 9:00 a.m. in P2. All additional information is due by October 9, 2026. The following is noted:</i> <i>1. The original account statements were not filed. Rather, only photocopies were provided and electronically filed. The originals or compliance with Probate Code section 2620 is required as to electronic copies. Original facility statements are needed without exception under Probate</i>

				<i>Code section 2620. It appears from the March 3, 2026 document that the originals are in the possession of the Petitioner or her attorney, but the original packet was not filed with the Court. Pages of some of the statements appear to be missing as well. See the last Fidelity statement, which is missing every other page.</i> <i>2. Assets on Hand at end of account. The assets on hand at the end of the Account, specifically the non-cash assets, do not match the December 31, 2025 Fidelity Investment statement 2816, which is also missing every other page. The stocks and market value are not accurate based on the statement. Nearly all of the sums reported appear to be from the start of the account, not the end of the account. In addition, many of the assets cannot be confirmed, due to the missing pages noted above. A full review of the account cannot be completed until the missing pages are provided.</i> <i>3. Bond cannot be determined until the above issues are corrected.</i> <i>4. The Fifth Account and Report, for the period of January 1, 2026 to December 31, 2027 is due by March 3, 2028.</i>
8	23PR-0233	Conservatorship of: Janis Mills	Petition Filed 2/19/2026 - First Account	<i>CONTINUED LIST: The matter is continued to January 15, 2027, at 9:00 a.m. in P2. All additional information is due by December 11, 2026. The following is noted:</i> <i>1. Proof service of Notice of Hearing has not been located on this particular Petition or the supporting declarations.</i> <i>2. Original account statements. The original institution statements for the ending period for the investments in Charles Schwab do not match the account. A reconciliation is needed for the middle of the month-end date. It is unclear from</i>

				<i>the statements and Petition how the market values were determined. (Super. Ct., San Luis Obispo County, Local Rules, rule 11.114 subd. (b).) The Change in the Form of Asset schedule provides information on how the carry value was determined, but the share numbers and the market values do not match on multiple items, which require reconciliation instead.</i> 3. <i>Accounting:</i> a. <i>The starting balance of the account does not match the Corrected Final Inventory filed on April 8, 2026. An amendment is needed, as the account is now off balance.</i> b. <i>Page 2 of the Assets on Hand for the beginning of the Account needs amendment.</i> 4. <i>Fees.</i> a. <i>The Petitioner seeks \$3,260.00 in fees for the period of Dec. 12, 2023 to Dec. 20, 2024, plus \$41 in costs. Invoices and a supporting declaration were provided. This fee is recommended.</i> b. <i>Attorney. Fees of \$12,801.33 in fees are requested. Of this amount, \$9,227.55 is requested by McCormick Barstow LLP and \$3,573.78 is requested by Carmel & Naccasha LLP.</i> i. <i>Invoices were not located for McCormick Barstow and are still needed. These fees cannot be determined until the invoices can be reviewed.</i> ii. <i>Invoices for Carmel & Naccasha LLP have been received with a supporting</i>
--	--	--	--	---

				<i>declaration. A fee of \$3,384.48 is recommended. The reduction is based on the paralegal's hourly rate and community standard for the same, along with a meeting where the paralegal and attorney both charged to meet with each other. Attorney fees were not reduced. Costs of \$11.30 are recommended.</i> <i>5. Bond. An increased bond is requested. Due to the error in the starting balance and the need for the market value information discussed above, the amount of bond due cannot be determined.</i> <i>6. A proposed order is needed.</i> <i>7. The Court Account review fee of \$305.00 is due.</i> <i>8. The second account and report, for the period of January 12, 2025 to January 11, 2027 is due by March 10, 2028.</i>
10	PR030265	Conservatorship of: Laura Gaines	Petition Filed 2/25/2026 - Trust Ninth & Tenth Accounts (TRUST)	<i>CONTINUED LIST: The matter is continued to February 5, 2027 at 9:00 a.m. in P2. All additional information is needed by January 8, 2027. The following is noted:</i> <i>1. Additional information is needed on when the 11th and Final Account, covering from the date of death and plans for distribution are needed. It is unclear if the Director of Health Services has received notice as required by the Trust and if so, what the payoff amount is at this time. An OSC is recommended for February 5, 2026 at 9:00 a.m. in P2.</i> <i>2. Financial Institution statements are missing for the end of the 10th Account. The last statement provided is for March 31, 2025, not April 16, 2025.</i>

11	PR030265	Conservatorship of: Laura Gaines	Petition Filed 2/26/2026 - Conservator 9th Account and Report	CONTINUED LIST: <i>The matter is continued to February 5, 2027 at 9:00 a.m. in P2. All additional information is needed by January 8, 2027. The following is noted:</i> 1. <i>Proof of service of Notice of Hearing on the original and amendment to the 9th Conservatorship Account was not located. The only notice in the file is regarding the Trust account. Additional information is needed on</i> 2. <i>Information is needed on who the Petitioner alleges is a beneficiary of this conservatorship estate, due to the death of the conservatee.</i> 3. <i>Additional information is needed on when the 10th and Final Account, covering from February 1, 2025 to the date of death, and then after the date of death is needed. (Prob. Code, §2620.) An OSC is recommended for February 5, 2026 at 9:00 a.m. in P2.</i> 4. <i>Account Statements-</i> a. <i>Symphony Financial- As the statements provided begin and end outside of the account end date, a reconciliation is needed to establish how the Petitioner determined the values, specifically the market value presented on Schedule E. (Super. Ct., San Luis Obispo County, Local Rules, rule 11.114 subd. (b).)</i> 5. <i>Accounting Issues:</i> a. <i>Sale of Assets. Information is needed on the loss and sale of assets by way of a more extensive Change in the Form of Asset Schedule and clear presentation of the items on the Gains and Loss schedules. Please see the Fiduciary</i>

				<i>Accounting Handbook, section 8.C. Appearance of Schedules. The current schedules are difficult to read due to the lack of breaks between each asset and failure to categorize by type, despite the rest of the account doing the same. Revision is needed to ensure all sales are accounted for, as the current schedules are unclear on a few items.</i> <i>b. Disbursements:</i> <i>i. Additional information is needed on the caregiver services and why they were paid in lump sums versus monthly payments. More details on the payments are needed. Please review the presentation method in prior accounts, which may assist in establishing the payment patterns. If lump sums were paid, explanation is needed as to why is needed.</i> <i>ii. Credit Card payments. Details on the Chase Credit Card payments are needed as to what each payment is regarding. More details are needed.</i> <i>iii. \$130,803.67 in Disbursements- Pages 15-17 of the Account. This section requires additional information and is incomplete. The credit card payments on this portion of the account must be explained in detail and all the blank entries, which are the majority of charges reported,</i>
--	--	--	--	--

				<i>must be explained with specific details.</i> 6. <i>Attorney Fees:</i> a. <i>Carmel & Naccasha LLP- \$12,882.51 is requested, of which \$11,670 is legal services and \$444.82 is in costs. A reduction is recommend based on the paralegal hourly rate exceeding the community standard, excessive time spent to draft the account, which is incomplete (over \$7,500), and time for staff at the firm to meet with each other at which all billed for the same meeting. The total reduction cannot be determined until the above issues are corrected.</i> b. <i>Andre Morris Buttery- \$10,117.50 in pre-ninth account fees are requested, with \$48.65 in costs. This request is recommended.</i> 7. <i>A proposed order is needed.</i>
12	PR050143	Conservatorship of: Maria Gutierrez	Petition Filed 2/25/2026 - Tenth Account	<i>CONTINUED LIST: The matter is continued to January 15, 2027 at 9:00 a.m. in P2. All additional materials are due by December 11, 2026.</i> 1. <i>Proof of service of Notice of Hearing was not located for the Amended 10th Account in a completed form. The Notice of Hearing within the June 11, 2026 Exhibit package has no date or time completed on the front of the GC-020 form submitted. No other completed Notice of Hearing was located.</i> 2. <i>In the future, please file the Amended Account, Notice of Hearing and Exhibits separately, not within one document, marked as Exhibits and filed with the 9th Amended Account. The Amended 10th Account was not easily located</i>

				<i>and was only found after review of the initial 10th Account filing.</i> 3. <i>Petition Issues.</i> a. <i>It is noted the donations were ordered to end as of July 17, 2026, after this account ended. The charges of this nature should not appear in the 11th Account after July 17, 2026.</i> b. <i>It is noted the meal charges were also limited to just the conservatee's meals going forward, as of the July 17, 2026 Order approving the 9th Account. The charges of this nature should not appear in the 11th Account after July 17, 2026.</i> c. <i>A special needs trust is noted in section 10 of the Petition. The trust is not before this Court for review and is vested in a separate trust from the conservatee's mother, based on what the Petitioner has provided. If this information is incorrect, Petitioner should provide an update to the Court.</i> d. <i>The monthly increase to \$1,600 was addressed at the hearing on July 17, 2026 with the Amended 9th Account. This may start in the 11th Account on July 17, 2026.</i> e. <i>The \$600 request to prepare this 10th account is recommended for approval.</i> f. <i>The \$300 account reimbursement from the Petitioner was not located in this account. Said receipt/payment must appear in the 11th Account.</i> g. <i>Bond. A bond of \$61,270.99 appears necessary (Account value, plus annual income of SSI and VA Benefits). Bond is</i>
--	--	--	--	--

				<i>currently set at \$59,000 and has remained that number since 2007. An OSC Re: Bond is recommended to be set once the bond increase is officially ordered.</i> <i>4. Account issues: Amendment of the account is recommended. Note, handwritten notes do not copy well and some numbers are illegible due to this. Sticky notes should not be attached to the schedules, as they do not translate well in electronic scans.</i> <i>a. Summary of Account GC-SUM does not match the summary account in the Petition or the schedules presented.</i> <i>b. Starting Balance of Account. The end of the Amended 9th Account had an ending balance of \$32,467.53. It is unclear why this Amended 10th Account starts with a balance of \$32,865.85. Correction is needed.</i> <i>c. The Account Schedules are out of order. It appears Schedule E, the assets at hand at the end of the Account period of Dec. 31, 2025 is at the beginning of the Account presented. Within that Schedule, it is unclear why interest, refunds and reimbursements are listed, instead of being on the receipt schedule. Because there is no list of assets on hand to start the account, the Court cannot determine why the starting balance changed from the end of the Amended 9th Account.</i> <i>d. Receipts- What are the "Misc. Deposits" for \$2032.30? There is no corresponding schedule to explain this</i>
--	--	--	--	--

				<i>sum. There are some statements attached, but it is not clear what this represents.</i> 5. <i>A proposed order is needed for this Amended 10th Account.</i> 6. <i>The Eleventh Account and Report will be due, by March 10, 2028 for the period of January 1, 2026 to December 1, 2027.</i>
<u>APPROVED LIST</u>				
4	20PR-0326	Conservatorship of: Richard Chartier, Junior	Petition Filed 3/16/2026 - Third & Final Account	<i>APPROVED LIST</i>
<u>HEARING LIST</u>				
2	16PR-0215	Conservatorship of: Jan Mackie-Sidle	Petition Filed 3/11/2026 - Fifth Account	<i>Still under review.</i>
5	21PR-0125	Conservatorship of: Michael DeWees	Petition Filed 1/23/2026 - Third & Final Account	HEARING LIST: Zoom or personal appearance is needed. The following is noted: <i>1. Proof of service of Notice of Hearing has not been provided as to this hearing date on this Petition.</i> <i>2. Due to the issues with the other two accounts, a full review on this third and final conservatorship account has not been completed. Once responses on the other two accounts are filed and reviewed, this account will be fully reviewed. At this time, a review appears premature due to the likelihood that changes from the prior two accounts will be needed.</i> <i>3. The Ex Parte Bond Discharge request filed on July 23, 2026 will be discussed generally, but</i>

				<i>will likely be continued as well to the next hearing date on all the accounts.</i>
6	21PR-0125	Conservatorship of: Michael DeWees	Petition Filed 09/04/2024 - First Year Account; Cont'd 3/14/25, 7/18/25, 11/14/25 & 5/8/26 (FIFTH HEARING)	<i>HEARING LIST: Zoom or personal appearance is needed. Nothing has been filed on this matter, the First Account for the conservatorship, to address the Probate Notes from the last four hearings. The following issues are noted with the First Account and Report and remain as originally noted on March 14, 2025, July 18, 2025 and November 14, 2025 and May 8, 2026.</i> <i>1. The accounting starts on July 27, 2021, but the conservatorship was ordered by the Court on July 16, 2021. The declaration provided on July 3, 2025, although not served on any parties, indicates that there were no transactions between July 16th and July 27, 2021 to report. Nevertheless, the bank statement and brokerage statement indicate otherwise with multiple transactions in each document. The Supplement filed on November 13th indicated a new Amended First Account will be filed, but nothing has been filed in six months.</i> <i>2. A revised Inventory is needed. The appraisal date should have been 7/16/21. The bank statements provided show the balance of the Premier Valley Checking account is NOT what is represented in the Account as of July 21, 2021. No statements were provided for July 16, 2021. The Supplement filed on November 13th indicated a new Inventory is coming, but nothing has been filed in six months.</i> <i>3. Compliant account statements were not located as required by Probate Code section 2620 for the following:</i> <i>a. Premier Bank. The statement does not match the allegations in the petition and</i>

				<i>Supplement for the start date of July 16, 2021.</i> <i>b. JP Morgan.</i> <i>i. Why is the cash account not reported in full? It appears that \$3.95 is not reported.</i> <i>ii. Shares numbers are not listed in the accounting.</i> <i>4. Original Care Facility Statements were not located to support the 9/16/21 charge to Summerset. It is unclear why there are also charges for July, August and September 2021, which appear in the statements provided, but do not clearly appear in the accounting. Explanation was not provided how these invoices then collectively create the \$23,643.00 charge, The invoices appear to show the charge would be much higher. In addition, the bank statements show payment to the brother of the conservatee, not the facility for \$23,643.55.</i> <i>5. Not addressed since March 14, 2025: The following items were posted in the Probate Notes, which were adopted, on March 14, 2025 and have not been addressed for this account period.</i> <i>a. Unusual Transactions. The Petition does not address why the entire investment account was liquidated or “distributed in kind” during this account period. The Supplement filed on November 14th indicates that it was needed to pay bills. This explanation will be addressed with the Amended First Account discussed in the Supplement.</i> <i>b. Accounting issues: The Supplement filed on November 13th indicated a new</i>
--	--	--	--	---

				<i>Amended First Account will be filed, but nothing has been filed in six months.</i> <i>i. Beginning of Account Assets on Hand: An amended Inventory is needed with the accounting starting date as of July 16, 2021 (new).</i> <i>1. The accounting balance does not match the Inventories and Appraisals filed.</i> <i>2. 1/10/23- Final Supplemental, adds \$2,668.00 in value. Two vehicles are not on the accounting as noted.</i> <i>3. 1/12/23- Final, lists \$234,707.31 in value as of 2/27/21</i> <i>4. Total estate should be \$237,375.31 NOT, \$234,707.31. This has not been addressed since the last account.</i> <i>5. The Assets on hand list must list the stock shares held, not just the carry value. Revision is needed. Otherwise, all parties must cross reference the 2023 Inventory against the account to understand what is being discussed.</i> <i>6. Changes in Principal- What does the \$752.00</i>
--	--	--	--	--

				<i>entry on the assets on hand mean? This schedule should match the Inventories filed. It is unclear why the \$752.00 for "market value of brokerage account at close of accounting day" would be included as part of the starting balance.</i> <i>ii. Schedule B: Gains.</i> <i>1. What does "gains from distribution in kind" mean? Are these realized gains from sales?</i> <i>2. The share amounts sold on each asset and dates sold (or transferred?) are needed.</i> <i>3. Why is there another \$337.20 listed on the gain schedule, for market changes? Only realized gains and losses should have been reported.</i> <i>iii. Schedule C:</i> <i>1. Detailed explanation is needed on the reimbursements to petitioner in the amounts of \$5,285.45 and \$1,558.54. An order allowing such sums was</i>
--	--	--	--	--

				<i>not located. It is unclear what these sums are regarding.</i> iv. <i>Schedule D: Losses</i> 1. <i>What does “gains from distribution in kind” mean? Are these realized gains from sales?</i> 2. <i>The share amounts sold on each asset and dates sold (or transferred?) are needed. Some stocks were sold in full, but others do not based on the carry value listed. Some stocks sold appear to be new and are not on the inventory list. A change in the form of assets schedule (see below) is needed.</i> v. <i>Assets on Hand at end of Account. Assets are missing from this list. The remaining assets cannot be confirmed due to the lack of original financial statements provided as required per Probate Code section 2620.</i> vi. <i>A Change in the Form of Asset schedule is needed. There are stocks listed in the gains on sale that are not in the Inventory/ Assets on Hand. In addition, sales are reported that do not appear to sell the full number of</i>
--	--	--	--	--

				<i>stocks held at the beginning of the account.</i> <i>c. Fees:</i> <i>i. A paralegal declaration was not located. Fees cannot be determined until that item is provided along with the Attorney Declaration normally required in all conservatorship accounting fee requests. (Cal. Rules of Ct., rule 7.751.) The Declaration should be incorporated into the Amended First Account. The statement in the Supplement filed on November 13th is insufficient.</i> <i>6. Bond will be addressed in the Second Account Review set for this date. It is noted the Second Account will likely need revision due to the failure to account for a two-year period and the asset changes not accurately reported in this account period.</i> <i>7. A proposed Order is needed.</i> <i>8. First and Final Account of the Trust is now due, based on the death of the Conservatee. An OSC re: First and Final Account will be set for December 18, 2026 at 9:00 a.m. in P2.</i>
7	21PR-0125	Conservatorship of: Michael DeWees	Petition Filed 01/24/2025 - Non-1st Year Accounting; (2 nd Conservatorship Account) Cont'd 7/18/25 & 5/8/26 (Third Hearing)	HEARING LIST: Zoom or personal appearance is needed. Nothing has been filed on this matter to address the Probate Notes from the last two hearing. All additional materials were to be filed by April 10, 2026. The following issues are noted with the Second Account and Report: <i>1. It is unclear how the revision of the First Account may affect this Second account. At this time, there DOES appear to be assets missing</i>

				<i>from the start of this account, as noted in related hearing item 4, the First Account.</i> 2. <i>Accounting issues:</i> a. <i>Disbursements. Additional explanation is needed.</i> i. <i>Reimbursement to Petitioner for \$437.00 for “sons airline ticket”. What is this and whose son is this?</i> 3. <i>Fees: A paralegal declaration was not located. Fees cannot be determined until that item is provided along with the Attorney Declaration normally required in all conservatorship accounting fee requests. (Cal. Rules of Ct., rule 7.751.)</i> 4. <i>Bond: So long as the remaining assets of the estate are transferred to the Trust created under the Substituted Judgment on hearing this date, within 60 days, it is recommended the bond remain as is, as the conservatorship estate will be reduced and the Trust bond will cover the assets.</i> 5. <i>A proposed Order is needed.</i>
9	25PR-0236	Guardianship of: Aubree Hafler	Petition Filed 7/30/25 - Guardianship - Person; Cont’d 10/31/25, 3/6/26 & 7/10/26	HEARING LIST: <i>Zoom or personal appearance is required. The following issues remain from the last three hearings:</i> 1. <i>Proof of service of Notice of Hearing is required by Probate Code section 1511. The proof of service of Notice of Hearing filed on June 16, 2026 is incomplete. Notice was not located on the minor, who is over 12, each parent, and the other relatives listed in the Petition. If a party’s whereabouts are unknown, a declaration of diligent search is needed.</i>

				<i>It is recommended the Court set an OSC re: Dismissal for Petitioner's failure to address the probate notes for three hearings.</i>
13	PR080098	Conservatorship of: George Pasetes	Petition Filed 2/11/2026 - Second and Final Account	HEARING LIST: Zoom or personal appearance is needed. 1. <i>Exhibit B, establishing the transfer of the lump sum payment to the former conservatee, was not located as referenced.</i> 2. <i>It is unclear why the remaining funds of the estate would not be distributed to the former conservatee. Nothing in the file reflects that he agreed to have the Petitioner remain as the representative payee after the termination of the conservatorship estate. Either a copy of the agreement to remain as the agent or a transfer of the balance remaining to Mr. Pasetes is recommended.</i> 3. <i>Additional information is needed on the disbursements titled: "additional personal needs to spend down account". The Petition indicates the Petitioner has accounted for these additional distributions to the best of its ability. It is unclear what the need was to "spend down the account" as the estate terminated within a few months. Additional insight into what this means is needed.</i> 4. <i>A proposed order is needed.</i>
14	26PR-0210	In Re: Stephanie Ramirez	Order to Show Cause re: Proof of Deposit	HEARING LIST: Zoom or personal appearance is required.
16	26PR-0226	In Re: ULISES ORTIZ	Minors Compromise	HEARING LIST: <i>The matter is recommended for approval. The minor and Petitioner should appear via Zoom or in person for examination under California Rules of Court, rule 7.952.</i>
