Conservatorship of Alexander Herbert Allen

SPR095429

Account & Report

Tentative Ruling: NO APPEARANCES REQUIRED. The Third Account and Report of Conservator is APPROVED.

The balance of conservator fees due, after prior payment of periodic compensation, is approved as prayed.

The request to continue to receive periodic compensation of up to \$250 per month is approved.

Attorney fees and reimbursement of costs advanced are approved as prayed.

Conservator's request for confirmation of authority to continue to buy and sell securities, and the request of Conservator for authorization to hire an investment manager are CONTINUED for further hearing to October 9, 2026 at 9:30 a.m. in Dept. 63. It is not apparent to the Court why this instruction is necessary and how, given the potential additional cost, it is beneficial to the conservatorship estate. The petitioner is invited to file a supplement expanding on the need for and benefits of the requests. Any supplement should be filed and served at least 10 days before the hearing. If no supplement is filed, the Court will deny the requests without prejudice at the next hearing and no appearances will be required.

Bond is reduced to \$2 million.

The conservator is directed to pay the court investigator assessment of \$600.00, within 30 days, payable to the Sonoma County Superior Court. Please include the case number and name of the conservatorship and send payment to the Probate Clerk's office.

The matter is SET on the August 31, 2028, case management conference calendar at 3:00 p.m. in Department 63, for status of account. If the Fourth Account and Report of Conservator is filed at least seven (7) days prior to the hearing, the matter will be dropped.
