Spousal Property Petition

Tentative Ruling: NO APPEARANCES REQUIRED. This matter is CONTINUED to October 23, 2026, at 9:30 a.m. in Department 63. Please refer to the Probate Examiner Notes. In addition, enforcement of a family law judgment may be had after the death of a party to the proceeding in that court if orders affecting property have been made prior to their death. This Court's view is that the relief sought here should be pursued in the family law case. If the Petitioner chooses to continue to prosecute the present petition in this court, they may wish to file a verified supplement addressing this tentative view. In addition, the Court orders petitioner to serve on the San Francisco City & County Employees' Retirement System all moving papers in this case along with a notice of the continued hearing date, and a copy of these minutes, at least 20 days prior to the hearing. Service shall be in the manner of a summons and proof of that service shall be filed at least seven days before the hearing. The Court has not otherwise reviewed the merits of the petition.
