CASE NAME: Young

v. Pacific Blue Roofing 8

PET. FILED: 09-16-25

CASE NUMBER: 25STCP03574

NOTICE: OK

PROCEEDINGS: PETITION

TO CORRECT CONTRACTUAL ARBITRATION AWARD

MOVING PARTY: Petitioner

Walter Young

RESP. PARTY: None

PETITION TO CORRECT ARBITRATION AWARD

(CCP § 1285, et seq.)

TENTATIVE RULING:

The

Court previously continued this hearing on Walter Young's petition to correct an arbitration award to allow him the opportunity to address deficiencies in the petition. Young has now properly filed

proof of service of the petition and notice of hearing on Pacific Blue Roofing. But Young was also ordered to file and serve documents addressing the various deficiencies in his papers by 16 court days before today's hearing. Instead, he filed a declaration—containing arithmetic with no narrative explanation—only two court days before the hearing, with no proof of service on anyone.

The Court previously warned Young that this was his “one last time” to address the deficiencies in his petition, which was in any event untimely filed as an initial matter. (Code Civ. Proc., § 1288.)

The Court DENIES Young's petition.

Young is
to give notice.
