#22 - NELSON TAQUEZ, et al. vs AHMC SAN GABRIEL VALLEY MEDICAL CENTER, LP, et al.

Defendant Pingching Nick Kwan, M.D.'s demurrer to the first and second causes of action is sustained on the ground that the complaint does not state facts sufficient to constitute claims against him. The claims against Dr. Kwan rest only on his inclusion as a named defendant, a residence allegation, and collective agency and negligence allegations. That is not enough to state a claim against Dr. Kwan individually. As no opposition has been filed stating how the defects may be cured, leave to amend is denied.

Moving Party is to give notice.
