2025PRDE049034: IN THE MATTER OF KRISTIE L RUSK

07/08/2026 in Department J6

**Hearing on Petition First and Final Report of Executor, Petition for Statutory Attorney
Fees and Costs, Petition for Order of Distribution**

A waiver of account by the trustee of the Kristie L. Rusk Trust, dated August 8, 2023, in that capacity, is needed. Petitioner Rodger Johnson's waiver is executed in his capacity as a beneficiary.

Subject to a valid waiver, a final account is waived. Approve \$14,591.85 in statutory fees to Petitioner's counsel. Petitioner waives his fees at ¶ 20 of the petition, but the prayer asks for fees for him. Which is correct?

The proposed final distribution of the estate to the trustee of the Kristie L. Rusk Trust, dated August 8, 2023, is consistent with the terms of the will.
