COUNTY OF VENTURA**

Probate Notes

**2024PRDE023392: IN THE MATTER OF JOHN ANTHONY SINKER
07/08/2026 in Department J6
Account and Report**

The Court notes that Petitioner Jeffrey Loebl filed a total of eight I&As in this relatively modest sized estate. All of the I&As, except for the first one, appear to have been filed untimely. (Prob. Code, §§ 8800, 8801.) There were numerous corrections and one correction of a correction.

The accounting ends four months prior to its filing date. Accountings to the Court should not end more than 2 months prior to the filing date.

The Court will approve the final account and report. Approve \$7,709.89 in statutory fees each to Petitioner and his counsel. The proposed final distribution of the estate to the trustee of the Sinker Trust Dtd 6/28/17 is consistent with the terms of the will.
