#15 - GUOJIE ZHAO, et al. vs ROBERT CHIEN

The motion is

GRANTED IN PART and DENIED IN PART. The

motion seeks two distinct forms of relief: a trial continuance and a wholesale reset of discovery and related deadlines. The first request is supported in part by the medical showing. The second is not. A limited continuance best addresses the health showing without rewarding the insufficiently supported request to restart all pretrial deadlines.

The trial date of

September 15, 2026, is advanced and vacated.

The parties are to meet and confer and submit a stipulation proposing three agreed-to trial dates (trials commence on Tuesdays) prior to April 2027. The Court will sign a proposed order selecting the trial date.

Defendant's request

to reset or reopen all discovery, expert, and law-and-motion deadlines as though the new trial date were the initial trial date is DENIED.

The Court sets an Order to Show Cause re: Submission of

Stipulation for Trial for September 15, 2026 at 8:30 a.m. in Department X.

Unless waived by the

parties, Defendant is to give notice.
