Substantial revisions to personal representative account are needed, as follows: opening estate information in the account conflicts with the inventory and appraisal without explanation;

- missing opening property on hand schedule;
- missing date-of-death values for all assets, as required for I&A; summary of account states that at least Chase and Schwab account values are from March 2025; account must begin with date-of-death values for all assets;
- Schedules B & D are erroneous—schedules are required for each category of charges and each category of credits; Schedules B & D, as filed, do not identify any category of charges or credits and include incomprehensible information that does not correspond to any part of the summary of account;
- Schedule C is erroneous—transfers between accounts are neither charges nor credits; a supplemental schedule of transfers between accounts may not report gains or losses on disposition of assets; Schedule C as filed purports to show transfers, gains, and disbursements (fees) in the same schedule;
- missing any schedule for gains on disposition of assets; both Schedules C and A refer to gains on sale with no information required in a gains-on-sale schedule;
- Schedule E erroneously includes anticipated payment of a creditor claim as a disbursement;
- missing any final property-on-hand schedule.

Proposed distribution to Anne Ferguson and Brian Kamanu is contrary to the will, which requires distribution only to the trustee of decedent's living trust.

6. S-PR-0013545 In Re the Estate of Boe, Ned Gordon

Court determination is needed: petitioner requests the court waive the final account because she executed a waiver of account as trustee of the beneficiary trust. Where the personal representative and trustee are the same person but there are other trust beneficiaries, the court has ordinarily required those other trust beneficiaries to waive the filing of an account by the personal representative. Without other waivers, the request relies only on PR-trustee's self-serving account waiver.

7. S-PR-0013587 In Re the Estate of Melton, Rebecca J.

Revision is needed: corrected I&A filed March 19 inexplicably doubles the Attachment 1 appraisals on the page 1 summary. The incorrect I&A total (with the erroneously doubled Attachment 1 amount) was used to calculate personal representative and attorney fees.
