Probate Notes

2023PRDE007929: IN THE MATTER OF GAYLE ELIZABETH KEEFER

08/12/2026 in Department J6

Hearing on Petition for Final Distribution and Report on Waiver Of Account etc

The escrow statement shows \$16,420 was paid to Powell and Associates for “invoice for work done.” What work was done and how did it benefit the estate?

There was a prior executor, Horace Rupp, Jr. Does Mr. Rupp also waive his fees? (Prob. Code, § 10805.)

Subject to the foregoing, a final account is waived. Approve \$24,091.31 in statutory fees to Petitioner’s counsel. Approve appropriate statutory fees to Mr. Rupp if requested.

The proposed final distribution of the estate in equal shares to Petitioner and Michael Rupp is consistent with the terms of the will.
