Legal

Standard

"If a party

to whom a demand for inspection, copying, testing, or sampling is directed fails to serve a timely response to it, the following rules shall apply: (a)

The party to whom the demand... is directed waives any objection to the demand, including one based on privilege or on the protection for work product.... The court, on motion, may relieve that party from this waiver on its determination that both of the following conditions are satisfied: (1) The party has subsequently served a response that is in substantial compliance.... (2) The party's failure to serve a timely response was the result of mistake, inadvertence, or excusable neglect." (CCP §2031.300.)

"If a party

to whom interrogatories are directed fails to serve a timely response, the following rules apply: (a) The party to whom the interrogatories are directed waives any right to exercise the option to produce writings under Section 2030.230, as well as any objection to the interrogatories, including one based on privilege or on the protection for work product.... The court, on motion, may relieve that party from this waiver on its determination that both of the following conditions are satisfied: (1) The party has subsequently served a response that is in substantial compliance.... (2) The party's failure to serve a timely response was the result of mistake, inadvertence, or excusable neglect." (CCP §2030.290.)

If a party

to whom interrogatories and document demands are directed fails

to respond at all, the propounding party's remedy is to seek a court order compelling answers thereto. (CCP §§ 2030.290, 2031.300.) All that needs to be shown is that the discovery was properly served on the opposing party, that the time to respond has expired, and that no response of any kind has been served. The moving party is not required to show a reasonable and good faith attempt to resolve the matter informally before filing this motion. A motion to compel initial discovery responses need not show good cause, meeting and conferring, or timely filing, and need not be accompanied by a separate statement. (See *Sinaiko Healthcare Consulting, Inc. v. Pac. Healthcare Consultants* (2007) 148 Cal.App.4th 390, 404.)

On

March 26, 2026, Defendant propounded onto Plaintiff Form Interrogatories, Set One; Special Interrogatories, Set One; Production of Documents, Set One; and Requests for Admissions, Set One. Plaintiff's responses were due by April 27, 2026.

Plaintiff

failed to provide any response.

Therefore,

Defendant's Motions are GRANTED, and Plaintiff OLIVIA NAVARRETTE is ORDERED to provide verified responses and documents, without objection by no later than 30 days from date of the Court's issuance of this Order. Plaintiff's Requests for Admissions Set One are Deemed Admitted.

This date

may be extended by stipulation of the parties. If any objections are asserted, it will be tantamount to no response at all and will be deemed a violation of this Court's order.

Reasonable

sanctions are GRANTED in the total amount of \$600.00. Plaintiff OLIVIA NAVARRETTE's is ORDERED to pay Moving Party and their counsel of record sanctions in the total amount of \$600.00, payable within 60 days from the date of the Court's issuance of this Order.
