[TENTATIVE]

RULING

Defendant Jaguar Land Rover North

America, LLC's Motion to Compel Compliance with the Court's February 19, 2026

Discovery Order and Request for Sanctions is GRANTED.

DISCUSSION

Defendant

Jaguar Land Rover North America, LLC moves for an order compelling Plaintiffs

James A. Kim and James A. Kim MD APMC's compliance with the court's February

19, 2026 Discovery Order granting Defendant's motion to compel discovery

responses.

"[I]f a party fails to obey an order compelling further response, the court may make those orders that are just, including the imposition of an issue sanction, an evidence sanction, or a terminating sanction under Chapter 7 (commencing with Section 2023.010). In lieu of, or in addition to, that sanction, the court may impose a monetary sanction under Chapter 7 (commencing with Section 2023.010)." (CCP § 2031.310(i).)

Defendant argues as a failure to respond to Defendant's discovery requests, Defendant filed several motions to compel discovery responses. The court granted Defendant's motions to compel discovery on February 19, 2026, (Carter Decl. ¶3.) Notably, the court ordered Plaintiff to provide further responses without objection and verifications within 10 days. (Carter Decl. ¶3, Exh. A.) On April 20, 2026, Defendant sent correspondence to Plaintiffs requesting Plaintiffs provide their further responses without objections and verifications on or by April 24, 2025. (Carter Decl. ¶4, Exh. B.) Plaintiff's Counsel responded, asking for an extension and Defendant agreed. (Carter Decl. ¶4, Exh. B.) Despite this, Plaintiff's counsel has not provided any further verified responses to Defendant's requests for discovery. (Carter Decl. ¶5.)

As a result of Plaintiff's failure to comply with the February 19, 2026 Court Order, the court GRANTS Defendant's motion to compel compliance. The court notes the instant motion is unopposed. Plaintiff is ordered to produce discovery responses without objection and verification within 5 days.

The court notes Defendant also requests this court impose monetary sanctions of \$500 per day until Plaintiff's comply with the court's prior court

order. The court denies the request to impose monetary sanctions as the circumstances are not such that the \$500 per day requested is warranted.
