19	25PR-0392	In Re: The Roger M. Brown, Jr Irrevocable Trust	Petition Filed 12/2/2025	HEARING LIST: Zoom or personal appearance is needed. The following is noted: 1. It is unclear from the materials filed if all persons interested in this Petitioner were served. The Petition does not disclose what individuals would comprise the “other beneficiary or group of beneficiaries” discussed in the Petition. Is this just the adoptive child of Roger Brown Jr. or another category of persons? It is noted that Mrs. Ginna Brown was served in care of her attorney. The estate of Roger Brown Jr. has not been served separately. Ms. Ginna Brown’s Objection indicates she is filing as the administrator of the estate, so the defect appears to be waived. 2. A copy of the consent agreement regarding continued administration, as referenced in the Petition, is needed. If nothing exists, please be prepared to advise the Court at the hearing. 3. The parties should be prepared to discuss if they are wish to have an evidentiary hearing or if they will submit on the papers. 4. A proposed order is needed.
