**IN RE THE ESTATE OF EDWARD J. EGGLINGER, DECEASED
PR26-00132**

Petition for Probate of Will and for Letters Testamentary and for Authorization to Administer Under the Independent Administration of Estates Act (filed by Danielle Lacampagne)

Objection to Danielle Lacampagne's Petition for Probate of Will and For Letters of Administration With Will Annexed (filed by Patricia Passeltiner)

Petition for Letters of Administration and for Authorization to Administer Under the Independent Administration of Estates Act (filed by Patricia Passeltiner)

PREGRANT ORDER

The court continued this matter from April 30, 2026 and June 11, 2026 to allow the parties to resolve issues with their pleadings. The court notes that Proof of Service was filed by Patricia Passeltiner which resolved the issue with her petition. Nothing has been filed by Danielle Lacampagne to resolve the issues with her petition.

The court on its own motion continues this hearing to August 27, 2026 at 9:30 a.m. in Department 22 so that all matters can be heard concurrently. Pending the continued hearing, the parties shall resolve the following issues with their respective pleadings:

As to the Petition filed by Danielle Lacampagne:

1. Petition, item 2.d.(1): The petition states that bond should not be required for the reasons stated in item 3.e. However, no information was provided and the will waives bond only for the named executors in the will, not the petitioner.
2. Petition, item 3.g.(1)(d): The petitioner shall clarify if the alternate named executor is unwilling or unable to act, or is waiving appointment. An administrator with will annexed may not be appointed unless “all the executors named in the will have waived the right to appointment or are for any reason unwilling or unable to act.” (Prob. Code §8440.)
3. Petition, item 8: The petitioner must list herself, her relationship to the decedent, age and address. In addition, the petitioner shall provide a copy of the letters issued to her as temporary conservator of Barbara Mahoney for the court’s review and consideration and further clarify if she is seeking general letters of conservatorship of the person and estate. The petitioner shall also clarify if Barbara Mahoney is deceased.
4. The will offered for probate devises the estate to the trustee of “The Edward J. Egglinger Living Trust”. The trustee is not identified in item 8. The petitioner is to comply with Solano County Local Rules, Rule 7.51 and provide the name of any and all trustees and beneficiaries of the trust and give proper notice.
5. The petition proposes to admit the decedent’s pour over will into probate. However, the terms of the will devise the entire estate to the “The Edward J. Egglinger Living Trust.” The petitioners must file a copy of the trust, with all amendments, disclaimers and corrections, with the court under confidential cover. (Solano County Local Rules, Rule 7.51 c.)
6. The will presented was not witnessed and does not comply with the requirements of Probate Code § 6110(c). The petitioner shall present clear and convincing evidence that, at the time the decedent signed the will, the decedent intended the will to constitute their will. The Affidavit signed by the notary public who only met the decedent on the day they notarized the decedent’s will does not constitute clear and convincing evidence.

As to the Objection:

No issues noted.

As to the Petition filed by Patricia Passeltiner:

All issues resolved.
