[TENTATIVE] ORDER RE: DEFENDANTS'
MOTION TO CONTINUE TRIAL DATE AND ALL RELATED DEADLINES, OR ALTERNATIVELY, TO
ADVANCE OR SPECIALLY SET THE HEARING ON DEFENDANTS' DISPOSITIVE MOTIONS

Dept. 731

8:30 a.m.

Matter No. 16

Moving Party: Defendants, University of Southern California,
Contemporary Services Corporation, and Apex Security Group, Inc.

Opposing Party: None

Notice: OK

1. Court

Order

Now before the Court is a motion to continue trial filed by Defendants University of Southern California, Contemporary Services Corporation, and Apex Security Group, Inc. on July 13, 2026, under CRS No. 105383935302, and set for hearing on September 22, 2026.

After review, the Court determines that the motion is MOOT.

Specifically, on July 13, 2026, i.e., the same day on which Defendants filed the instant motion to continue trial, Defendants also filed an ex parte application for the same relief: an order continuing the then-present October 19, 2026, trial date and all related deadlines to correspond with a new trial date, preferably to February 22, 2027. (Compare Motion, 2:2-10, with Ex Parte, 2:1-8 [seeking identical relief].)

The Court granted the July 13, 2026, ex parte application on July 24, 2026, continuing the jury trial in this action from October 19, 2026, to February 22, 2027.

Under these circumstances, the relief requested in the July 13, 2026, motion to continue trial is moot.

Defendants are ordered to give notice.

Parties who intend to submit on this tentative must send an email to the court at smcdept731@lacourt.org indicating intention to submit on the tentative as directed by the instructions provided on the court website at www.lacourt.org. If the department does not receive an email indicating the parties are submitting on the tentative and there are no appearances at the hearing, the motion may be placed off calendar. If a party submits on the tentative, the party's email must include the case number and must identify the party submitting on the tentative. If the parties do not submit on the tentative, they should arrange to appear remotely.
