ORDER RE:

DEFENDANTS' MOTION
FOR SUMMARY JUDGMENT

AND RELATED CROSS-ACTION

The motion for summary judgment brought by Defendants Behzad Cohan and Nori D. Cohan, individually and as Trustees of the BC Family Hycet Trust u/d/t December 6, 2011, the NC Family Hycet Trust u/d/t December 6, 2011, and the Behzad and Nori D. Cohan Trust amended and restated u/d/t August 1, 2012 (collectively, "Defendants") against Plaintiffs Sukhinderpal Gill and Angela Hercilia Ganem, individually and as Trustees of the PSG Family Hycet Trust u/d/t December 6, 2011, the AHG Family Hycet Trust u/d/t December 6, 2011, and the Gill and Ganem Trust amended and restated u/d/t September 5, 2012 (collectively, "Plaintiffs") is continued as set forth below.

Plaintiffs interposed 8 evidentiary objections, and Defendants interposed 4 evidentiary objections, for a total of 12 evidentiary objections. Due to the significant number of objections, the hearing on the motion will be continued to a date that will be set at the Hearing on Objections discussed below.

The Court orders the parties to meet and confer by telephone or in person in a serious and good faith effort to resolve and eliminate the objections for their respective motions. The only objections that should remain are those that pertain to material evidence regarding material issues. Keeping the rules of evidence in mind, the parties should be able to reduce the objections to just a few. If any material objections remain unresolved, the parties are to set them forth in a joint statement with the text, the objection, and the argument of each side in favor of their respective positions regarding the remaining material objections, along with a space for a ruling.

The joint statement must be filed on or before _____ with a courtesy copy delivered to Department 508. The Court will review any remaining

objections with the parties at a hearing on _____, 2026 at 10:00 a.m. (the "Hearing on Objections"). The date for the hearing on the motion will be set at the Hearing on Objections.

If necessary, based upon the resolutions reached during the meet and confer process and/or at the Hearing on Objections, the parties may respectively file and serve revised briefing and evidence. The revised evidence may eliminate objectionable material; however, no new evidence or new argument is to be submitted unless it is as a result of compromises reached during the meet and confer process. In the event that revised briefing and evidence are necessary, the Court will discuss with the parties a briefing schedule for the revised briefing at the Hearing on Objections.

Defendants are ordered to give notice of this Order.
