Case Number: 23SMCV04247 Hearing Date: September 23, 2026 Dept: 205

Plaintiff

Christopher Filkins requests that separate judgments be entered against defaulted

Defendants Leopard Transnational Inc., Sam Ho, and Himiway Intelligent

Technology USA, each in the total amount of \$9,378,870.14, consisting of

damages in the amount of \$9,378,025.24 and costs in the amount of \$844.90. The proposed judgment against Sam Ho indicates

that \$378,025.24 of the judgment "is on a claim related to medical expenses." The other two proposed judgments do not

provide a breakdown between special damages and general damages. The requests for default judgments are denied

because they do not comply with the Single Judgment rule and because – with respect

to the proposed judgments as to Leopard Transnational Inc. and Himiway

Intelligent Technology USA – there is no breakdown between special and general

damages. In addition, with respect to

all three proposed judgments, there is insufficient evidence to support the

total amount of damages sought, particularly with respect to what appears to be

a request for general damages in the amount of \$9,000.000.
