COUNTY OF VENTURA**

**2024PRCE031046: IN THE MATTER OF PATRICK SEAN REYNOLDS
09/22/2026 in Department J6
Account and Report**

Overall, the total fees sought in this matter are extremely high.

Approximately \$25,000.00 in fees to Conservatee's attorney; \$7,000.00 in GAL attorney's fees to Mr. Loeb's attorney; \$14,000.00 in conservatorship/GAL fees to Mr. Loeb; \$13,000.00 in conservatorship fees to Ms. Reynolds, and \$60,000.00 in attorney fees to Ms. Reynolds' attorney. Grand total of approximately \$129,000.00 in fees for a two-year period.

The estate's income is approximately \$43,000.00 a year, making the fees equal to 3 times its annual income. The total property on hand is approximately \$408,000.00, which means the fees are more than $\frac{1}{4}$ of the POH.

The Court is aware this was a highly contested matter that involved numerous filings and hearings and much communication, however an overall 10% reduction in all fees is needed, except for conservator fees as that rate is quite low. Conservator Elizabeth Reynolds to pay Sean Reynolds back \$500 a month for a car loan, total of \$9,000.00, from 1/1/25 through 6/1/26. That amount is to be taken from conservator's fees.

Below are some minor issues that need to be addressed.

- Total amount of True Link disbursements for 7/15/25 through 6/24/26 is \$18,000.00. Change in Form of Assets (Schedule I) lists only \$14,500.00 in transfers to True Link, with \$4,293.88 listed in a separate column that does not appear to be included in the total. Report states \$1,000.00 a month to True Link. Explanation needed.
- BOH Acct. #3351 documentation is for 11/30/24 through 12/31/24: shows balance on 12/19/25 as \$11,701.07 and on 12/20/25 as \$11,585.43. The accounting states the beginning balance on 12/20/24 is \$11,701.07.

- The Citizens Bank statements for accounts #4960 and #5157 are for the period ending on 6/25/26. The closing period of the account is 06/30/26. Need account statements showing balance as of closing date of account. (Prob. Code, § 2620, subd. (c)(2).)
- Documentation for Fidelity Acct # 0485 is for 12/1/24 through 12/31/24. Shows value of \$303,221.17 as of 12/31/24. Schedule A lists carry value of \$302,097.01 and FMV of \$175,788.54. How was amount on Schedule A determined?
- Documentation for Fidelity Acct #049 shows \$84,193.57 as of 12/31/24. Schedule A lists carry value/FMV of \$83,591.10. How was amount on Schedule A determined?
- POH at beginning of account period total (\$407,389.86) does not match I&A total (\$567,501.70). Cash accounts match I&A. Report noted that one the stock value of FIVFX was valued wrong. Is this the reason for the discrepancy?
- Discussion of whether there is an ongoing need for a GAL as the Conservator is represented by counsel.

Subject to verified supplement addressing above issues, the Court intends to approve the Account & Report.

The Court intends to order reduced bond posted in the total amount of \$496,750.00.
