

Probate Notes for March 13, 2026

Probate notes are a recommendation as to the outcome of the petition. Unlike tentative rulings, they do not automatically become adopted as the order of the court. If you are scheduled to appear and there is no probate note issued in your case, you should appear as scheduled. If you wish to continue a matter, you must contact the civil division at (530) 406-6704, at least two (2) court days before your hearing.

Please Note: The following probate matters will be heard at 9:00 a.m. in **Department Eleven.**

Case: Conservatorship of Geoffrey Carpenter
Case No. PR2025-0037

It is recommended to approve the court investigator's report for continuation of the conservatorship and the first verified account and report of conservator. (Prob. Code, §§ 1060, 1850 et seq., 2620.) It is also recommended to approve the conservator's care plan. (Prob. Code, § 2351.2.)

It is recommended to order reimbursement of \$450 to the Court for the court investigator's report.

It is recommended to set a biennial review for March 10, 2028.

Petitioner is directed to submit a proposed Order prior to the hearing. No appearance is necessary.

Case: In the matter of Jack Alan Howarth (Conservatorship)
Case No. PR2022-0211

Parties are **DIRECTED TO APPEAR** on petitioner Linda S. Gottfredson's petition for order transferring proceeding.

Please Note: The following probate matters will be heard at 9:00 a.m. in **Department Fourteen.**

Case: Conservatorship of Backhaus
Case No. PR2003-142

Due to the death of the conservatee, the conservatorship of the person terminated, by operation of law. (Prob. Code, § 1860, subd. (a).) As accountings were previously waived by the Court, a final accounting is not required. (See Prob. Code, § 2628.)

However, because the date of the conservatee's death was not provided, parties are **DIRECTED TO APPEAR** so that the Court can memorialize the termination date.
