

The court on its own motion continues this hearing to July 29, 2026, at 9:30 a.m. in Department 22. Pending the continued hearing, the petitioner shall resolve the following issue:

Third Amended Petition, item 25: The court is not inclined to grant this request as the decedent was survived by a spouse and two adult children. The estate of the post-deceased son should receive his portion of the estate. As the amount is *de minimus*, then the post-deceased son's intestate heirs may then collect his share via a small estate affidavit.

Petition for Final Distribution with Final Accounting

PREGRANT ORDER

This matter was continued from April 6, 2026 to allow the petitioner to address the issues with the petition. Nothing has been filed since the last hearing despite the fact that the minutes from that hearing reflect that the court reviewed those issues with the petitioner.

The court on its own motion continues this hearing to July 29, 2026, at 9:30 a.m. in Department 22. Pending the re-set hearing the petitioner shall resolve the following issues:

1. Petition, item 6.a: The sales price of the house was \$550,000.00, not \$550,287.63. The losses on sale were \$10,000.00, not \$9,712.37.
 2. Petition, item 6: The Inventory included a vehicle and personal property. The petition does not state whether the vehicle and the personal property were disposed of. The petitioner shall explain.
 3. Petition, item 18: The losses on sale were \$10,000.00, not \$9,712.37. The fee base should be \$566,292.67 and the statutory fees should be \$14,325.85.
 4. Petition, item 20: The petition does not include a breakdown for the distribution which states the value of the estate to be distributed to each heir. (Solano County Local Rules, Rule 7.66(b).)
 5. Petition, prayer item 3: The amounts to be distributed to Phillip Foster and Lashawnda Foster are different than the preliminary amounts that were distributed to Antun Foster, Leevardis Foster, Jr., and Lawrence Foster. The petitioner shall explain why the amounts are not the same.
 6. The Letters of Conservatorship attached to the waiver of accounting for Lashawnda Foster show that Phillip Foster is the limited conservator of the person only, not the estate. Phillip Foster may not waive the accounting on behalf of Lashawnda Foster. The court may appoint a guardian ad litem to review and sign the waiver on Lashawnda Foster's behalf.
 7. The petitioner shall advise the court whether Lashawnda Foster is receiving public benefits that may be terminated if she receives the distribution from the estate and whether these monies should be placed in a blocked account or placed in a special needs trust.
