CASE #	CASE NAME	HEARING NAME
CVRI2504126	CARONNA VS CALIFORNIA BAPTIST UNIVERSITY	MOTION TO DEEM FACTS ADMITTED ON PLAINTIFF DOROTHY CARONNA, AND FOR SANCTIONS IN THE AMOUNT OF \$3,660

Tentative Ruling:

GRANT the motion to have facts deemed admitted.

On January 15, 2026, Defendant propounded Requests for Admissions ("RFAs") on Plaintiff via electronic service. Plaintiff's responses were due by February 18, 2026. Plaintiff failed to provide timely responses or objections. In opposition to this motion, now Plaintiff states that she did eventually file an objection and told Defendant she would not respond to discovery until the demurrer was heard. The hearing on the demurrer was on 6/24/2026.

In her Separate Statement in opposition to this motion, filed on 4/14/2026, Plaintiff submitted her proposed responses to the 42 RFAs propounded by Defendant.

The court finds that none of Plaintiff's proposed responses to the 42 RFAs comply with the requirements of CCP § 2033.220. Answers to RFAs must be complete and straightforward. Each answer shall (1) admit, (2) deny, or (3) specify so much of the matter involved in the request as to the truth of which the responding party lacks sufficient information or knowledge. (CCP § 2033.220(b)) Plaintiff's responses are not in substantial compliance. (CCP § 2033.280(a)(1)) Any objection filed by Plaintiff was untimely.

The court finds that Plaintiff has waived all objections. The motion is granted. Defendant is awarded sanctions against Plaintiff in the reduced amount of \$1,050 (3 hours of attorney time at \$350 per hour), payable to defense counsel within 30 days.
