Matter of Virginia I. Knudsen Trust

26PR00303

Case Management Conference

Tentative Ruling: APPEARANCES REQUIRED for jury trial setting. The Court intends to sever the legal and equitable claims of the petition, and to set a jury trial on the legal claims. The Court's view is that the right to a jury attaches to the financial elder abuse claim pursuant to Welfare and Institutions Code section 15657.5(a), and to the claim for punitive damages pursuant to Welfare and Institutions Code section 15657.5 and Civil Code section 3294. All other claims shall trail, to be tried to the Court. The time for trial on the remaining claims shall be set after conclusion of the jury trial. Based on the availability of counsel and the Court's trial schedule, the Court intends to set the jury trial on April 2, 2027 or April 9, 2027 with a 5-8 day time estimate. The Court notes objector's counsel did not provide any dates of unavailability.
